CENTRAL DISTRICT OF CALIFORNIA, WESTERN DIVISION

LOS ANGELES HOMLESS SERVICES AUTHORITY, a joint powers authority,

Plaintiff,

and

LOS ANGELES CONTINUUM OF CARE,

Plaintiff-Intervenor,

v.

DONALD J. TRUMP, in his official capacity as President of the United States of America, *et al.*,

Defendants.

CASE NO: 2:26-cv-07056-DOC-AJR

Hon. David O. Carter

PLAINTIFF-INTERVENOR LA COC's SUPPLEMENTAL STATUS REPORT

Date: October 27, 2026
Time: 9:00 a.m.
Courtroom: 1

PLAINTIFF-INTERVENOR'S SUPPLEMENTAL STATUS REPORT

In advance of the October 27, 2026 status conference, Plaintiff-Intervenor Los Angeles Continuum of Care ("LA CoC") respectfully submits this supplemental status report, augmenting Plaintiff-Intervenor LA CoC's Amended Status Report (Dkt. 108). As described below, LA CoC has now formally designated the County of Los Angeles (LA County) as the Collaborative Applicant, HMIS Lead, and CES Management Entity, contingent on and subject to any transition plan established by the parties and/or this Court.

I. LA COC'S RESPONSE TO THE PRELIMINARY INJUNCTION

On August 13, 2026, this Court entered a preliminary injunction in this case. *See* Dkt.63. Among other provisions, the Court specifically ordered LA CoC to:

1) give notice forthwith that it is accepting applications for Collaborative Applicant, HMIS lead, CES Coordinator, and PIT Count Administrator for the Fiscal Year 2027 CoC nationwide grant competition; and
2) within 60 days of the Order, by October 13, 2026, file a written report with the Court summarizing its evaluations of all entities that have applied to be the Collaborative Applicant, HMIS lead, CES Coordinator, and PIT Count Administrator for the FY 2027 CoC nationwide grant competition.

LA CoC immediately took steps to comply with the Court's order. As outlined in the September 28, 2026 status report, LA CoC issued a Request for Qualifications ("RFQ") to solicit applications for each of the four entities for the administrative functions outlined in the Court's order. *See* Dkt. 98, Plaintiff-Intervenors' Status Report re: Compliance with the Court's Preliminary Injunction.

Following the completion of the RFQ process and review by LA CoC's Board, LA CoC filed the required written report with the Court on October 13, 2026. The report summarized LA CoC's evaluation of the entities that submitted applications for each of the roles through the RFQ process, including the results of the RFQ quality review and LA CoC Board's review of the RFQ results and selection of LA County to

fulfill each of the four administrative roles. *See* Dkt. 108, Plaintiff-Intervenor's Amended Status Report re: Compliance with the Court's Preliminary Injunction.

HUD filed its response on October 20, 2026, expressing its acceptance of LA CoC's selection of LA County as the Collaborative Applicant, HMIS Lead and CES Management Entity, and its preference of LA County over other applicants to fill the roles of HMIS Lead and CES Management Entity. *See* Dkt. 121.

II. DESIGNATION OF LA COUNTY AS COLLABORATIVE APPLICANT AND PIT COUNT ADMINISTRATOR

As outlined in the October 13, 2026 report, pursuant to LA CoC's charter, LA CoC held a general membership meeting on October 9, 2026 to designate LA County as the lead agency for each of the four administrative roles. However, as described in detail in the October 13, 2026 status report, LA CoC was unable to conduct the vote required by LA CoC's Charter because of capacity and technical issues. *See* Dkt. 108 at 21-23.

LA CoC convened a second special general membership meeting on October 13, 2026 to present LA County as LA CoC Board's proposed candidate to take over the role of Collaborative Applicant. At the meeting, the LA CoC general membership voted to designate LA County as the new Collaborative Applicant for the LA CoC. Given the technical challenges with conducting the contested vote, LA CoC deferred the vote on the HMIS Lead and CES Management Entity until LA CoC could address some further technical issues related to the size of the general membership meeting and ensure the integrity of the voting process.

III. DESIGNATION OF LA COUNTY AS HMIS LEAD AND CES MANAGEMENT ENTITY

On October 26, 2026, LA CoC convened another special general membership to ratify LA CoC Board's proposal to designate LA County as CES Management Entity and its selection of LA County as the HMIS Lead.

At the meeting, LA CoC's consulting team presented the results of the RFQ process, which were also spelled out in detail in LA CoC's October 13, 2026 report to the Court. *See* Dkt. 108. LA CoC's Board Chair, Ben Kay, presented the Board's assessment of the results and 1) its selection of LA County as HMIS Lead and 2) proposal to designate LA County as the CES Management Entity for LA CoC. Both of these proposals were submitted to LA CoC's general membership for a vote.

a. Designation of HMIS Lead

Following a motion and second from the floor and an opportunity for members of the public to comment on the motion, 306 non-recused members voted 253 to 43 (with 10 abstentions) in favor of designating LA County as LA CoC's HMIS Lead, contingent on and subject to any transition plan established by the parties and/or this Court.

b. Designation of CES Management Entity

Following a motion and second from the floor and an opportunity for members of the public to comment on the motion, 261 non-recused members voted 219 to 38 (with 4 abstentions) in favor of designating LA County as LA CoC's CES Management Entity, contingent on and subject to any transition plan established by the parties and/or this Court.

IV. CONCLUSION

In response to this Court's August 13, 2026 preliminary injunction, the LA CoC undertook a significant independent RFQ process to solicit and assess applicants to fill each of the administrative roles previously held by LAHSA. The general membership of LA CoC has now formally designated LA County to fulfill each of these roles.
